Habbits

What habits do you have that separate you from God? You see, you/we can sit in church, Sunday school, Wednesday nights and praise God, talk about God, and actually try to do what's right, but we all still have habits that prevent us from a constant pursuit of God. So I ask again, to you and to me, what habits do we have that separate us from God? How do we get rid of them? Well, it's said that it takes 21 days to form a habit. I would start with forming new habits that draw you closer to God. And don't do this alone. Start with spending time each day with God. Practice praising God with your speech around people. Start....now. - Keith

SOS this week...

This week for S.O.S. we will be making cookies and notes to send to guest who have come to visit the church. We will also be making notes to send with the cookies. Let's make people feel welcome and let them know that we are a caring family here at Blount Christian Church!!

Smarts.....

What has roots that nobody sees and is taller than trees. Up up it goes and yet it never grows. What is it?

(last weeks answer was "outside of the cat")

Contest time.....

Ok, so maybe the last one was too much for you to handle so here's an easy one. Try to find a tool that will stump me. You have to be able to bring it to church and see if I can figure out what it is used for.
